

Law Enforcement Support Office (LESO) In Brief
In Brief Info

* The DLA LESO PCR Team is required to physically verify or obtain an acceptable custody card for 100% of the LESO Program Weapons, Aircraft, and High Profile Vehicles, or other General Property as required, as appearing on the accountable record, for each LEA that has been selected for review during the PCR. An acceptable version of a custody card must contain the following elements: 1) LEA name, 2) LEA physical address, 3) LEA phone number, 4) Name of individual responsible for physical custody of the item, 5) Item nomenclature (item name), 6) Serial number of the item (if applicable), 7) Quantity of item, 8) Printed name of individual responsible for physical custody of item, 9) Signature of individual responsible for physical custody of the item and 10) Date the custody card was signed.

** Overall State Inventory Accuracy Rate (%) is determined by adding required Weapons (A), Aircraft (B), High Profile Vehicles (C) and General Property (D) at LEAs selected for review during the PCR, and dividing by the actual number of property that was physically verified (X) or verified via an approved custody card (Y) during the course of the PCR.

Background: Per the Defense Logistics Agency (DLA) Disposition Services, Law Enforcement Support Office (LESO) Standard Operation Procedures (SOP) and the DLA Memorandum of Agreement (MOA) between DLA and the State, the DLA Disposition Services LESO will conduct a Program Compliance Review (PCR) for all States and Territories with agencies enrolled in the LESO Program every two (2) years.

Purpose: PCRs are performed in order to ensure that State Coordinators, SPOCS and all LEAs within a State are compliant with the terms and conditions of the LESO Program as required by the DLA Disposition Services LESO MOA with the State.

Scope: During the PCR, the DLA Disposition Services LESO will review property and administrative records of the State Coordinators Office and selected LEAs within the State. Subsequent to the PCR, the DLA Disposition Services LESO will provide the State Coordinators Office an overall rating in terms of compliance or non-compliance with the terms and conditions of the LESO Program.
